This action will authorize amendments to the Anderson Hill Redevelopment Program Loan Agreement between the City of Austin and the Austin Revitalization Authority. The Anderson Hill Redevelopment Program facilitates the rehabilitation and construction of homes located in the historic Juniper-Olive neighborhood that will be sold to low and moderate income households. The City's contribution of real property and financial assistance ensures the long term affordability of the homes. The proposed amendments will establish reporting requirements that are consistent with NHCD standard operating procedures. Specifically, the proposed amendments will change ARA's reporting obligation from a monthly to an annual basis.
